**TALENT AND COMPENSATION**  
**COMMITTEE CHARTER**

This Talent and Compensation Committee Charter (this “Charter”) was adopted by the Board of Directors (the “Board”) of Kalera plc (the “Company”) on June 28, 2022.

*This Charter is intended as a component of the flexible framework within which the Board, assisted by its committees, directs the affairs of the Company, being that of a holding company of the group of which the Company is the top company. While it should be interpreted in the context of all applicable laws, regulations and listing requirements, as well as in the context of the Company's Constitution, it is not intended to establish by its own force any legally binding obligations.*

**1. Organization**

This Charter governs the operations of the Talent and Compensation Committee (the “Committee”) of the Board. The Committee shall consist of three or more members of the Board. Each member of the Committee shall qualify as an “independent director” under the rules of the Nasdaq Stock Market (“Nasdaq”), including standards specifically applicable to compensation committee members, subject to any exceptions or cure periods that are applicable pursuant to the foregoing requirements and the phase-in periods permitted under the rules of the Nasdaq under which the Committee is required to have only one independent member at the time of listing, a majority of independent members within 90 days of listing and all independent members within one year of listing. Any action duly taken by the Committee shall be valid and effective, whether or not the members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership provided herein. In addition, at least two members of the Committee shall qualify as a “non-employee director” within the meaning of Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Committee members shall hold their offices until their successors are appointed and qualified, or until their earlier resignation or removal by the Board. All vacancies in the Committee shall be filled by the Board. The Board shall designate one of the members as Chair of the Committee, and the Committee shall keep a separate book of minutes of its proceedings and actions.

**2. Meetings**

The Committee shall meet at least four times annually, either in person or by teleconference, and more frequently as deemed necessary by the Chair of the Committee. All meetings shall be at the call of the Chair of the Committee. A majority of the members of the Committee shall constitute a quorum for the transaction of business. The Committee may act upon approval of a majority of its members at a meeting at which a quorum is present. The Committee may also act in writing by the unanimous consent of its members.

The Committee may meet in executive session outside the presence of the Company’s executive officers. The Chief Executive Officer (the “CEO”) and Senior Executives (as defined herein) shall not be present during the Committee’s voting or deliberations on their own performance and/or compensation. The Committee may request that any directors, officers or employees of the Company, or other persons whose advice and counsel are sought by the Committee, attend any meeting of the Committee to provide such information as the Committee requests.

**3. Delegation**

The Committee may form one or more subcommittees, each of which may take such actions as may be delegated by the Committee, to the extent permitted by applicable law and the Company's Constitution, including, without limitation, the responsibility to administer equity and/or other benefit plans for Company officers and/or employees and the authority to utilize the services of third party administrators, consultants or other service providers. The Committee shall periodically report on its activities to the Board and make such recommendations and findings as it deems appropriate.

#### **4. Authority**

The Committee may, in its sole discretion, retain or obtain the advice of a compensation consultant, independent legal counsel or other adviser. The Committee shall be directly responsible for the appointment, compensation and oversight of the work of any compensation consultant, independent legal counsel or other adviser retained by the Committee. The Company must provide for appropriate funding, as determined by the Committee, for payment of reasonable compensation to a compensation consultant, independent legal counsel or any other adviser retained by the Committee. The Committee may select a compensation consultant, legal counsel or other adviser to the Committee, other than in-house counsel, only after taking into consideration, all factors relevant to that person's independence from management. Such an assessment shall be made at least annually. The Committee will not be required to implement or act consistently with the advice or recommendation of its compensation consultant, legal counsel or other advisor, and the authority granted in this Charter will not affect the ability or obligation of the Committee to exercise its own judgment in fulfillment of its duties.

#### **5. Purpose**

The purpose of the Committee is to carry out the responsibilities delegated by the Board relating to the review and determination of executive compensation. In fulfilling its purpose, the Committee will seek to ensure that the Company's compensation and general human resource programs and practices are competitive and are effective in attracting, retaining and motivating highly qualified personnel.

#### **6. Duties and Responsibilities**

To fulfill its purpose, the Committee shall:

- 6.3 Together with the CEO, evaluate the performance of the Company's senior executives who are, as determined from time to time by the Board, subject to the provision of Section 16 of the Exchange Act (such executives, the "Senior Executives") (other than the CEO) and based on this evaluation, approve the total compensation package provided, and the actual compensation paid, to such Senior Executives (including base pay adjustments, any annual and long-term incentive awards and equity compensation).

- 6.7 Review director compensation at least annually in relation to other comparable companies and in light of such other factors as the Committee may deem appropriate and make recommendations to the Board for approval of the total compensation for the non-employee directors of the Company.
- 6.8 Develop and recommend to the Board for approval guidelines for the CEO, Senior Executives and non-employee directors to own or retain designated amounts of Company stock. After the Board’s adoption of such guidelines, annually monitor compliance with such guidelines and periodically review such guidelines and recommend changes to the Board as deemed appropriate.

- 6.12 Review and approve, and when required by law, regulation, Nasdaq or SEC rule, recommend to the Board for approval, all equity-based plans and incentive compensation plans, and when appropriate or required, recommend for approval by the stockholders of the Company, which includes the ability to adopt, amend and terminate such plans. The Committee shall also have the authority to administer the Company’s equity-based plans and incentive compensation plans, including designation of individuals or classifications of individuals to whom the awards are to be granted, the amount of the award or equity to be granted to the CEO and/or other Senior Executives and the terms and conditions applicable to each award or grant, subject to the provisions of each plan.
- 6.13 To the extent such disclosure is required by applicable law, SEC rules or relevant listing standards, review and discuss with management the Company’s Compensation Discussion and Analysis (the “CD&A”) and recommend that the Board include the CD&A in the Company’s proxy statements or other statements or reports filed with the SEC, as applicable. Produce and approve any Compensation Committee Report on Executive Compensation required to be included in the Company’s proxy statements or other reports

filed with the SEC and generally oversee compliance with the compensation reporting requirements of the SEC.

- 6.14 Prepare the Compensation Committee Report in accordance with the requirements of the Companies Act 2014 (the “Act”).
- 6.15 Review the Company’s incentive compensation arrangements to determine whether they encourage participants to take excessive risks that are reasonably likely to have a material adverse effect on the Company.
- 6.16 To the extent Say on Pay Vote is required by applicable law, SEC rules or relevant listing standards, review and recommend to the Board for approval the frequency with which the Company will conduct Say on Pay Votes, taking into account the results of the most recent stockholder advisory vote on frequency on Say on Pay Votes required by Section 14 of the Exchange Act, and review and approve the proposals regarding the Say on Pay Vote and the frequency of the Say on Pay Vote to be included in the Company’s proxy statement.
